

DATE: 21.01.14

Sustainability System: BREEAM**Applicable Methodology:** BRE Global Green Guide – Generic Specification**System: Kinetic**

Description: Frameless glazed partition system incorporating integral sliding door and comprising multiple modules of laminated or toughened glass installed into extruded aluminium track sections with glass sealed into tracks with PVC gaskets and between panels with Optima Nebula™, Aluminium or PETG dry-joints. System incorporates integral deflection head capable of enabling relocation.

Applicable Measure: Element Number: **1209750002**

Qualifying Criterion: Kinetic partitions, when appropriately configured, can satisfy the requirements of the BRE Global Green Guide generic specification Element Number 1209750002 definition of a

“Aluminium proprietary glazed partitioning system, single glazed, safety glass”

Details of the installation methods required to support this statement are available on request from the Technical Department at Optima Products Limited
